Subject: Clarification of the Student Trustee Role & Today's Concerns

Dear Senators,

I am writing today because a report was brought to me regarding comments made in our meeting that question both the authority and the funding of the Student Trustee position.

I want to be sure that all members have the same, accurate understanding of what the governing documents say.

What Our Governing Documents State

1. ASRCC President Responsibilities

The **ASRCC Constitution, Article II, Section 6.9**, provides that the ASRCC President is charged to

“fulfill any duties assigned to them by the RCCD Student Trustee as well as give continual updates regarding RCC activities.”

This language establishes the Student Trustee’s coordinating role in district-wide efforts and the duty of the ASRCC President to support those efforts.

2. Brown Act & Governance Requirements

The **Executive Cabinet Bylaws, Article I, Section 3** require Brown Act compliance:

“Agendas shall be posted at least seventy-two (72) hours before a regular meeting and all reports shall be submitted to the Executive Secretary no later than forty-eight (48) hours prior to the meeting.”

These rules protect transparency and ensure that all members—including the Student Trustee—can participate fully and effectively.

3. Budget Allocation

The **ASRCC Executive Budget** explicitly provides:

91145 – Student Trustee Expenses – \$300.00

“Mileage and transportation expenses incurred by the RCCD Student Trustee.”

This line item confirms that the funding is for the official duties of the Student Trustee, not at the discretion of the Executive Board.

Moving Forward

It is essential that our discussions remain accurate and respectful so we can work together for all RCCD students.

I am sharing these references not to escalate conflict, but to ensure that everyone operates with the same understanding of our Constitution, Bylaws, and budget.

I will attach the **ASRCC Constitution, Executive Cabinet Bylaws, Senate Bylaws**, and the **Board & Administrative policies** that establish the Student Trustee position for your review.

I remain committed to collaborating with each of you and to supporting your campus initiatives while we build a strong, district-wide student voice.

Respectfully,

Gabriel Graves
